

MAGNETIC GLOSSY WHITEBOARD

Magnetic Glossy Whiteboard Film 500 μ is a flexible and light weight magnetic film with a patented dry-erase surface treatment. It can be used again and again, simply write on it with a dry-erase marker and wipe it off. The magnetic surface holds small iron and ferrous coated objects. Examples are menu's, planning and announcement boards, etc.

DATASHEET MWB500

PHYSICAL CHARACTERISTICS

- Surface: Glossy dry-erase
- Base material: Flexible magnet
- Thickness: 500 μ

FEATURES

- Flexible magnetic film
- Adheres to steel-based surfaces
- Indoor use only
- Light weight
- Universal product
- Patented dry-erase surface

APPLICATIONS

- Retail advertising
- Education
- Office boards
- Interior decoration

SHELF LIFE AND ENVIRONMENT ASPECTS

The shelf life of this media is 1 year under normal conditions (10°C – 35°C at a relative humidity 30% - 75%). Higher humidity and/or temperature can affect the product performance. Always store the media in a dark place in its original packaging.

IMPORTANT:

Before using the media the user must examine the suitability of the media for each application. We shall not assume liability for non-performance of the media. Specifications are subject to change without notice.
