perfect signmaking and prints.

In this rapidly changing world, it's becoming harder and harder to stand out. That's why we believe you are in need of a helping hand.

A helping hand that gets your brand noticed. And makes your customers stick. That is why we at Grafityp create selfadhesive products that catch the eye.

But what's even more important: we listen. We listen to your needs and suggestions. Because we know you are looking for a flexible partner who can deliver according to your needs.

We have been around for over 50 years. A half century of practising what we preach. A tradition of creating the best possible solution for your application.

We make selfadhesive products that stick.
And will make your brand stick in the heads
of your customers.

Grafityp. Makes you stick

GRAFTYP

makes you stick

“
**The best
possible
solution for
your specific
application”**

We are Grafityp. We engineer and make selfadhesive products:

- **signmaking vinyls,**
- **print media,**
- **laminates,**
- **and wrapping films.**

For every possible application, indoor and outdoor. From temporary to permanent solutions. Everything that is necessary to make a brand stick.

We offer the best solution for every possible question. Be it an exhibition stand, window stickers, building sign letters or the wrapping for a company car.
