

## CLEAR CHOICE AT65

### FILM APPLICATION TAPES

## TECH DATA SHEET

Clear Choice® AT65 is an ultra-clear, high tack film application tape that provides exceptional performance and versatility for the widest range of sign applications. AT65 is the tape you will want to keep on hand. It's high tack adhesive system is especially well suited for transferring small, high detail cut graphics and intermediate calendared vinyl films with tight liner release. AT65's exceptionally clear film facestock allows for precise registration of multiple color overlays, while the rigid polypropylene film minimizes stretching for precise alignment of graphics.
